

# SAVE ENERGY WITH HOME ENERGY SCOTLAND

This interactive session is for anyone who would like impartial energy advice and tips on how to save money.

Learn how to:

- Save money on your energy bills
- Adopt new habits and be more efficient
- Become an energy efficiency champion
- Play your part in creating a greener, healthier Scotland.

Funded by the Scottish Government and delivered by Home Energy Scotland, the session is practical and fun, providing ideas and tips to put into practice at home and at work.

## WHEN AND WHERE:

Monday 10th March

2:00pm - 3:00pm

Delivered via Microsoft Teams
