

Date: Issued to GP Practices August 2024
Your Ref: State/AdhesiveRemoval_PIL/1518

Dear Patient,

Change of NHS Grampian preferred brand of adhesive remover: Lift Plus® 360 Medical Adhesive Spray

The NHS Grampian Stoma Forum alongside Stoma Specialist Nurses have reviewed available adhesive removers and have selected an NHS Grampian preferred product: Lift Plus® 360 Medical Adhesive Remover Spray. This product has been assessed and approved for use by the Stoma Specialist Nurse Team.

Prescribing Lift Plus® 360 Medical Adhesive Remover Spray ensures effective pouch and adhesive removal as well as offering the best value for money. As such all patients requiring an adhesive remover will now be prescribed this product.

What this means for you – from your next prescription request, Lift Plus® 360 Medical Adhesive Spray will be prescribed.

Thank you for supporting NHS Grampian in making the best use of public monies we receive to provide healthcare to you and your communities.
