

Webinar to Introduce NEW FOR 2024-2025 Menstrual Health & Menopause eLearning Modules

**Join us via Teams Live
Thursday 6th March
1-2pm**

**Guest Speaker
Professor Anna Glasier,
Women's Health Champion**

The NES CPD Connect team invite all Primary Care Healthcare Professionals to join this webinar to hear about our brand new Menstrual Health eLearning, and see sneak peaks from the soon to be available Menopause module.

You will hear about how this interactive learning and associated resources will assist you to support women and their health needs through their life course.

Please ensure you have a Turas Learn account set up to enable easy access to the modules following the webinar. You can do this at <https://learn.nes.nhs.scot/>
