Mountain Bikes

Sturdy, hardwearing and built for adventure a mountain bike is also an excellent choice for commuting, trail riding and even some touring.

A mountain bike (MTB) or mountain bicycle is a bicycle designed for off-road cycling. Mountain bikes share some similarities with other bicycles, but incorporate features designed to enhance durability and performance in rough terrain.

Now, let's take a look at some of the mountain bikes you can purchase through the Halfords Cycle2Work scheme and the accessories we recommend with each bike
